2D BARCODE GENERATOR APP

yechte
CREATING VALUE

Generate 2D Barcodes with

EASE & PRECISION

The 2D Barcode Generator is an essential Odoo app for efficient asset management. It generates high-density PDF417 barcodes, perfect for logistics, ID, and inventory.

Easily create and print barcodes from the Odoo dashboard, enhancing productivity and accuracy. With customizable colors and seamless integration, it's the ideal tool for optimizing your workflow.

Feedback

from our customers

"This app creates high quality 2D barcodes and also allow customisation. Recommend it"

Luke Gray

"An essential tool, works flawlessly with Odoo and saves us money!"

Vikas Chaudhary

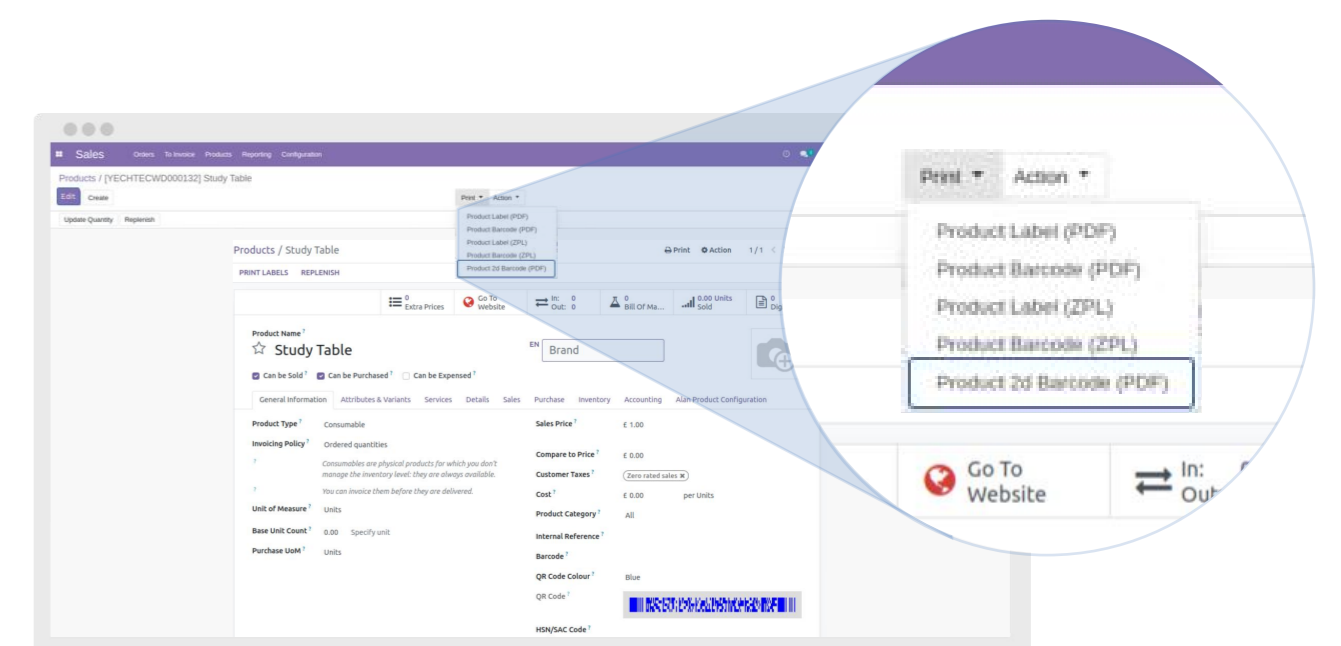

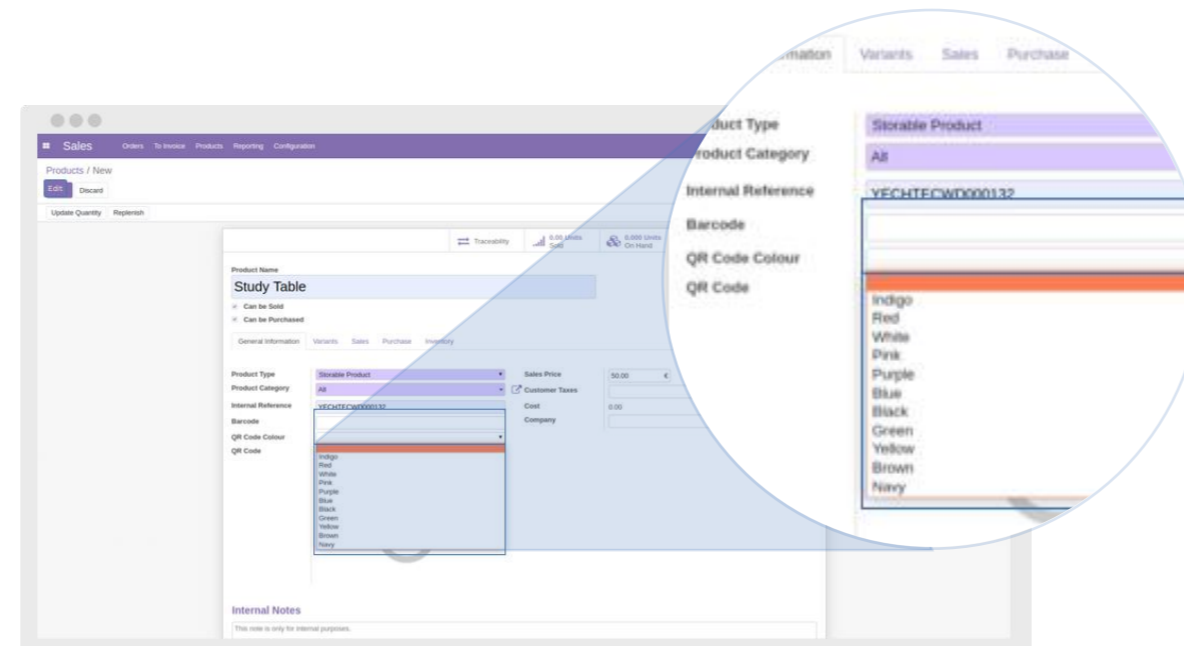

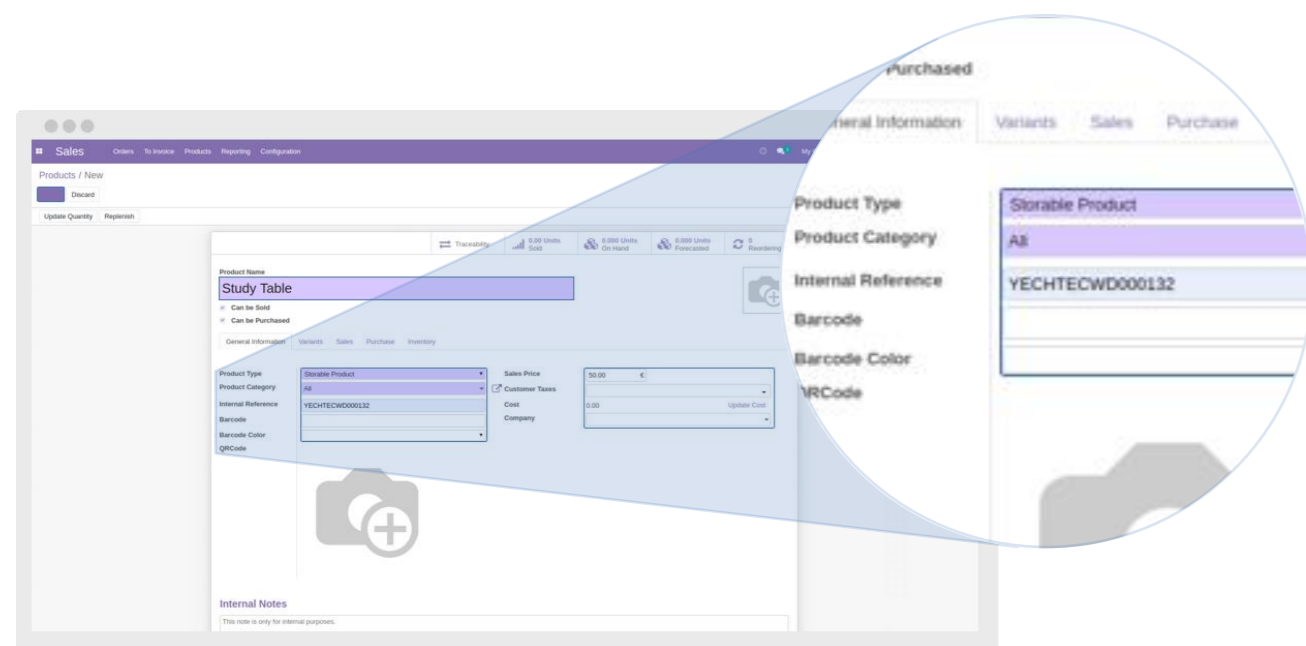

"This app seamlessly integrates with Odoo. It is very efficient for generating barcodes and tracking products. Best Buy!"

Ahmet Iredere
