CREATING VALUE

# Make Employee Records more

# COMPLIANT with Vaccine Tracking

For organizations focused on health and safety, the Employee Vaccine Information App is crucial. It records vaccination statuses and integrates with Odoo's 'HR' module.

The app tracks vaccinations from doses to boosters, stores certificates securely, ensures compliance and generates reports for effective workplace management.

## Feedback from our customers

"This app simplifies vaccine record management, ensuring we're always compliant and informed."

Masha Strelnyk

"Tracking employee vaccination is now incredibly efficient, this Odoo app is very helpful"

Selena Garcia

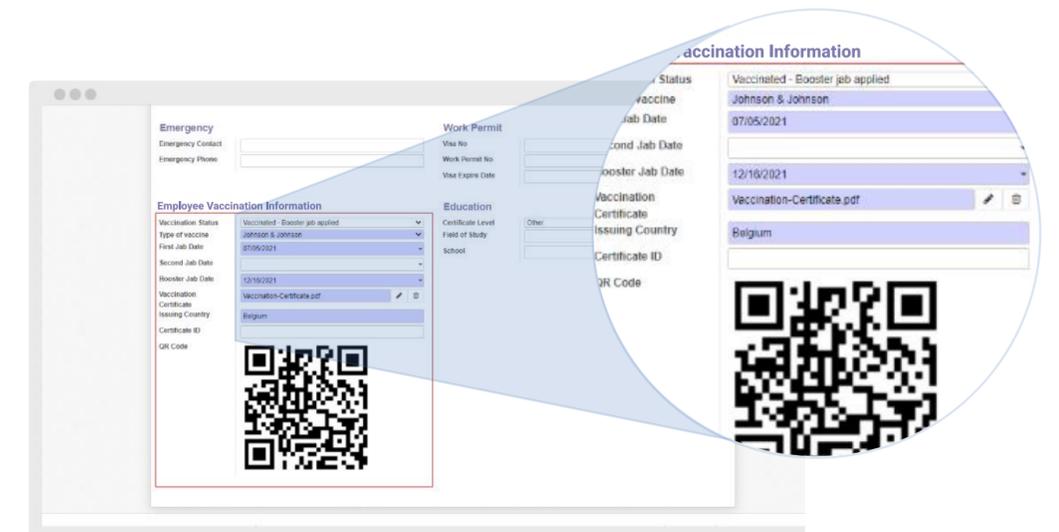

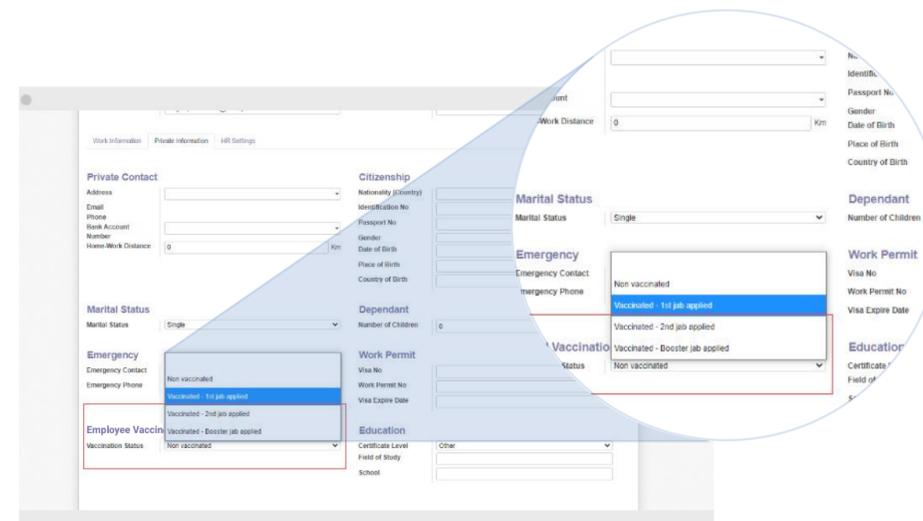

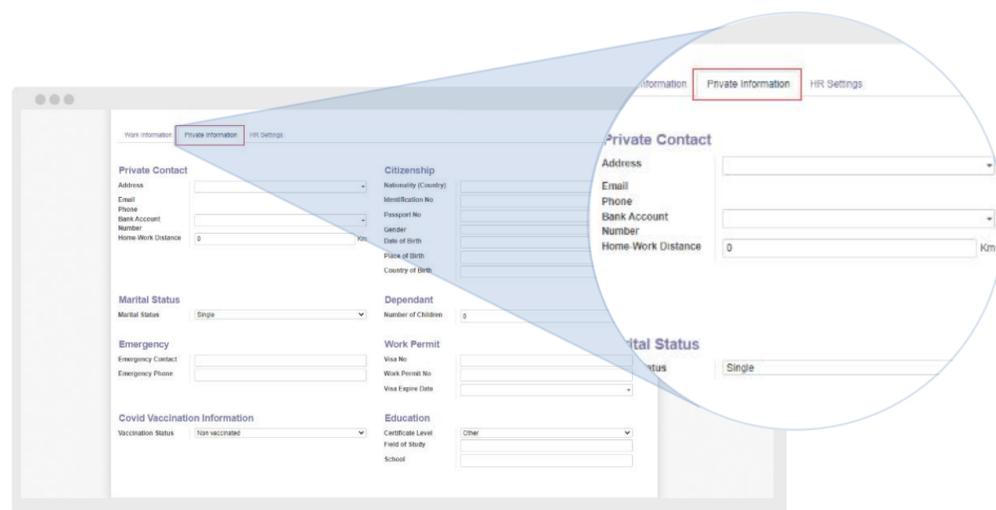

"Employee health & safety is our top priority and this app effortlessly handles vaccination data"

Harshit Saxena
